Περιγραφή:	

One of a few 250 sqm Condos on the beach at only 51,8000 Baht sqm which represents terrific value compared with central Hua Hin less than 15 minutes away. The condo is immaculately presented to provide currently 4 double bedrooms with en-suite bathrooms and 1 smaller bedroom with en-suite bathroom. The condo could be converted to provide 4 bedrooms only by joining the master and the single bedroom. The unit enjoys sea views from 4 bedrooms and from the covered terraces. The extra large open plan living area gives an amazing, spacious living appeal and has beautiful wooden flooring as do all the bedrooms and kitchen. The kitchen is full fitted with adjoining laundry space. All bathrooms have large head, power showers and two bathrooms also have baths. Santi Pura is a top grade condo complex with great on site management, gymnasium, massive feature swimming pool with infinity edge looking at the ocean, large spa, beautiful tropical gardens and sits on the best beach in the whole Hua Hin area. Probably the best designed condo for use of space with up market resort style living provided by the excellent complex.
