Περιγραφή:

This Belize residential lot is located on Loma Luz Boulevard in Santa Elena Town near the Peter August Memorial Stadium. It contains 541 square meters and can be used for a combined residential and business or just residential. The construction of a major bridge for a new route that connects Santa Elena to its Twin, San Ignacio Town, has boosted development along the new route in both towns.

Santa Elena is a vibrant community with many stores, restaurants, hotels and services. It offers preschool, primary and high school education with tertiary level available at Sacred Heart College in San Ignacio or at Galen University which is just a few miles away on the George Price Highway in Central Farm.

The area has all utilities and the lot is ready for construction. Major suppliers of construction materials and services are in both towns and in Spanish Lookout which is only a few miles away.
