Project including plot with Sea View for Sale in Benitachell

A wonderful project to build a modern villa that retains a Mediterranean style. The villa will have two floors, featuring a master bedroom with en-suite bathroom and dressing room, a double bedroom with bathroom, guest toilet, and a spacious open-plan lounge/dining area with kitchen and pantry. All rooms open onto large terraces with views of the sea and a 12x3m pool.

The lower floor includes a lounge, two bedrooms sharing a bathroom, and a storage room.

Built with high-quality materials, the villa will include underfloor heating and air conditioning.
