Very spacious and bright flat, brand new refurbished. Building with two lifts and concierge service.

We enter the flat and we have a spectacular integrated American kitchen, fully equipped, with paneled appliances and a large living-dining room, super spacious and very bright, with large windows with lots of natural light and to finish this area, we find a full bathroom with shower.

Then we go to the bedroom area, where we can see the master bedroom, with full en suite bathroom, fitted wardrobes and windows to the outside, with lots of natural light, another large elongated double bedroom, also with windows to the outside and lots of natural light and two other bedrooms, with fitted wardrobes, one with direct access to a private patio of about 6m2.

The flat has aluminium frames with double glazed windows, heating and AC by ducts, adjustable in all rooms, parquet floors, security door and brand new appliances.

Located in a very sought after area, just a few metres from Av. Diagonal, very close to the Corte Inglés, next to all kinds of services and means of transport, supermarkets, schools and everything you need to

live.
