New four bedroom project for sale with distinctively-designed houses in "European Cottage" style. Set amidst an atmosphere inside the project as inspired by the "farmhouse". Each house has a living room, dining room and kitchen that contains a stove top, refrigerator, cookware dishes and a washing machine.

Smart Innovations For The Perfect Home Life

• Breeze Panel ventilation panels on windows and doors to increase air circulation

• Cooling slates to remove heat from under the roof

• Heat reflecting sheets under the roof

• Green Glass light reflective green glass windows

• UV Shield paint infused with UV and heat reflecting materials

---

α€LED Light Bulb used through out the house to save energy

α€Water tank & pump to cover full usage all around the house

α€Security system fully installed in the house

## Complete Array of Facilities & Amenities
