Περιγραφή:

The property sits on a quiet street and is accessed via a stone driveway leading to the front entrance. Inside, the entrance hall connects to a large, light-filled living room with a wood-burning stove and sliding doors that open to the pool area and outdoor dining area with sun awning and garden.

The kitchen is fully equipped and adjoins a separate dining area, both of which also open onto the terrace. The ground floor includes one bedroom with an en-suite bathroom.

Upstairs are three generously sized bedrooms, each with an en-suite bathroom and access to balconies that offer open views across the valley. The master bedroom also features a walk-in closet.
A roof terrace provides panoramic views of the surrounding countryside.

The villa includes a central heating system powered by a heat pump, which also heats the swimming pool. There is a second covered outdoor dining area with a built-in BBQ, conveniently located near the kitchen. A garage offers additional storage and parking.

Built in 2007, the property has a total construction area of 300 m^2 and has been kept in excellent condition by the current owners and has undergone various improvements over the years. With a quiet, rural atmosphere and easy access to Lagos, the house works well as a permanent residence or a holiday home.
