A few minutes drive from the center of Novigrad is this excellent ground floor apartment with a large garden.

The apartment is located on the ground floor of a newly built small residential building with 4 residential units. The total area of the apartment is 77 m². The apartment consists of a living room with an open-plan kitchen and dining room, a hallway, 2 bedrooms, a bathroom, a utility room/laundry room and an entrance hall. The living room opens onto a covered terrace from which you can reach a large and fenced garden of 130 m², ideal for enjoying and socializing outdoors. The apartment is of high quality construction with electric underfloor heating and air conditioning. The apartment also has a parking space located right next to the building.

The apartment is being sold in a turnkey phase, which includes finished floors and bathrooms, without furniture, which leaves the future owner enough space to decorate according to their own wishes. The planned completion of construction is the end of 2025.
