In zone H1 of the Viseu PDM, you may have the possibility to build a building from scratch or remodel it into separate fractions.

The property has 2 floors, each with a gross implantation area of 236 m², and consists of:

Ground floor:

- Old shops and three closed garages (236 m²).
- Garden with patio (80 m²).

1st floor:

- Several large rooms with the possibility of being divided into apartments for a total of 236 m².
- Terrace.

An excellent investment opportunity, where investors can count on a fast and excellent rate of return after the refurbishment.

Viseu, a city located in the center-north of Portugal, an hour and a half drive from Porto (about 100km

east of the Atlantic Ocean), has a central position in relation to the district. This city has received the seal of the best quality of life at a national level, cultivating the art of welcoming anyone from anywhere in the world.

With a population of 100,000 inhabitants, the city is a regional economic hub with a strong wine industry (demarcated wine region of Dão), thermal cultural tourism and services. Surrounded by several rivers and mountains, its location focuses on the national map where cultural heritage and gastronomy are some of the main qualities.
