This cute cottage style home is located in the beautiful village of El Gastor , it feels like it is on the edge of the village but is just a few minutes walk to busy center where you can find shops , banks , restaurants and bars .

Parking on the street is easy ,however this cottage is located on an upper level of the street which is traffic free so it's like having a front patio , which the current owners furnish with benches and a table when in residence .

Entering you have an open plan lounge , diner and kitchen , the kitchen is of the traditional rustic built style with under counter cupboards and shelves plus some upper cabinets of pine . theres a large open fireplace for those cosier winter nights .

from this area a door opens to a flight of shallow steps that lead through the hallway off which there 3 small bedrooms and a good sized bathroom which has a built and tiled shower , a vanity with drawers and a loo . There is Aircon fitted in the hallway which Cools the bedrooms in the summer .

At the end of the hallway a door opens to a prettily tiled stair case which leads up to a good sized terrace

which as a built seating bench along the back wall , there are some nice views from here .

This cottage would make a great holiday home and holiday let which would do well in this popular pueblo .The location is very tranquil , all you hear is the birds , so it is ideal if your looking for total peace and relaxation .
