If you're looking for your own place near the sea, this first-floor apartment in Torrevieja might be exactly what you need. A comfortable, move-in ready home with a communal pool, underground garage, and a terrace to enjoy the Mediterranean weather to the fullest.

The apartment offers 62 m² of living space plus an 8 m² terrace with enough room to place outdoor furniture and make the most of your free time. Inside, you'll find 2 bedrooms with built-in wardrobes, 1 full bathroom, and a separate laundry area, perfect for extra storage and keeping everything tidy.

It is sold fully furnished and equipped, so you can move in immediately without needing any renovations or additional purchases.

One of the standout features is the communal swimming pool, ideal for enjoying the warm weather without leaving home. You also get a private underground parking space, a highly sought-after asset in this part of the coast.

The location couldn't be better: you're in a peaceful area yet just steps from shops, supermarkets, restaurants, and public transport. The beach is only 1,000 metres away, an easy walk that lets you enjoy the town atmosphere on the way to the sea. Golf lovers will appreciate the proximity to nearby courses, and if you travel often, Alicante International Airport is only about 30 minutes away by car.
