Περιγραφή:

This villa for reconstruction has excellent potential, despite this the house already has double glazed windows. It has a large plot of land that provides a wide variety of options for you and your leisure time.

Outside, the house offers a spacious backyard where there is a traditional wood oven, perfect for outdoor gatherings, family events or even for those who appreciate the art of cooking in a stone oven. This outdoor space invites you to enjoy al fresco dining, creating a welcoming environment to receive friends and family.

In addition, the property has an additional annex, which can be used in different ways depending on your needs: as a storage space, studio, office or even a small independent dwelling, thus increasing the possibilities of using the house.

Overall, this house offers a cozy, functional and full of potential space, ideal for those looking for a comfortable residence with outdoor leisure areas and a welcoming environment to live in. - REF: 322/M/02336
