Περιγραφή:

This is a really beautifully maintained compact house with finishings throughout in perfect condition . Located on a wide street with parking this house is set up on a raised pavement area.

Entering you have a small Zaguan entrance hall with a wrought iron and glass inner door , the hallway leads into the sitting room which also houses the staircase to first floor. Next is the galley style kitchen which is well equipped and has a door leading out to a small light well patio, across which is a perfectly fitted out shower room .

Up on the first floor the two bedrooms are located either end of a short hallway, the bedroom to the front has an en suite bathroom with full bath , sink and loo .

Up to the top floor and here you have a laundry a store room under the eaves and the door out to the lovely little terrace with big views, it over looks the leafy Penon hill and looks out to the mountains.
