Περιγραφή:

Stone house for sale to finish the renovation. The roof has it new from 2019, you have to make the entire interior that is completely diaphanous only has the wooden beams although if it has the water connections and drains it is possible to make two floors. The house has a plot of about 300m2 with a well and garage entrance on one side.

It is a great house in a very quiet environment, ideal for those who want to condition it to their liking, taking into account that the roof is practically new and the façade has been rehabilitated. - REF: Vitoria BM 506020
