Περιγραφή:

Offered with no onward chain, this three-bedroom terrace is an attractive proposition for experienced investors or developers looking to unlock value through refurbishment. Set in a residential street within easy reach of local services and public transport. Viewing Advised This traditional terrace property presents a substantial opportunity for investors or developers seeking a project with strong long-term potential. Arranged over two floors and offering a classic layout, the home includes two reception areas, a galley-style kitchen, three bedrooms and a first-floor bathroom. The property sits in a well-established residential area with access to local amenities, transport routes and schools, enhancing its rental or resale appeal.

Internally, the home requires comprehensive refurbishment, but offers a solid footprint with the potential to reconfigure or modernise to suit contemporary living standards. Original architectural elements, such as the bay window and spacious proportions, lend themselves to creative redesign. The kitchen and bathroom areas are functional but present an opportunity for upgrade and added value.

Externally, the property benefits from a rear garden area with scope for landscaping, and street-facing frontage typical of its era. With terraced homes in the area achieving strong returns post-renovation, this property provides a blank canvas for investors to realise capital growth or create a desirable rental asset.

This is a compelling project in a market where demand for well-finished family homes remains high. Early enquiries are encouraged for those looking to secure a renovation opportunity with clear value-add potential.

This deposit ensures that the property is taken off the market as soon as a sale is agreed. It is then exclusively reserved for you, eliminating gazumping, time wasting and financial loss.

An administration fee of £396 is required in order to draw up an exclusive legally binding contract

between the buyer and seller. This gives the buyer exclusive rights to purchase within a pre-agreed timeframe.

Exclusivity

Following the payment of the above amount, Springbok Properties will facilitate a fixed exclusivity period (approximately 12 weeks). During this time, surveys should be arranged and preparations made for the exchange of contracts. The property will be reserved, so there will be no risk of gazumping.
