Dénia Village – Exclusive New-Build Villa between Las Rotas and Montgó
Design, privacy, and nature just a stone's throw from the sea

Introducing Dénia Village, an exclusive new-build private residential complex comprised of only 11 unique homes, located in one of Dénia's most coveted areas: between the tranquil coves of Las Rotas and the majestic foothills of the Montgó Natural Park. A privileged location that combines nature, the sea, and proximity to the town center, marinas, and all essential daily services.

This property within the project is the Tramuntana model, a single-story detached villa with an intelligent layout that blends the interior and exterior spaces into a single space, standing out for its contemporary design, spaciousness, and quality.

Key Features:
730.93 m² private plot

Build area: 105.70 m²

3 bedrooms with en-suite bathrooms

1 guest toilet

Modern kitchen, dining room, and spacious open-plan living room

Separate laundry room
