ABOUT THE AREA

Mellieħa, a charming village situated in the northernmost part of Malta, is a highly sought-after destination renowned for its picturesque landscapes, stunning coastlines, and a relaxed, family-friendly atmosphere. Perched on a hilltop, it offers sweeping panoramic views of the Mediterranean Sea, the sister islands of Gozo and Comino, and the tranquil surrounding countryside. Mellieħa's allure lies in its ability to blend traditional Maltese village life with the conveniences and attractions of a popular tourist resort. It is particularly famous for its beautiful sandy beaches, notably Għadira Bay (Mellieħa Bay), which is the longest sandy beach on the island and a favourite for families due to its shallow, clear waters.

Beyond its pristine beaches, Mellieħa boasts a rich historical and cultural heritage. Evidence suggests the area has been inhabited since prehistoric times, with various civilizations leaving their mark. Key historical sites include the Mellieħa Parish Church, a prominent landmark overlooking the bay, and the Sanctuary of Our Lady of Mellieħa, a revered pilgrimage site. The Mellieħa Air-Raid Shelters, hand-dug during World War II, offer a poignant glimpse into the island's wartime past. For those seeking unique experiences, the whimsical Popeye Village, the original film set from the 1980 musical production, is a major attraction, particularly popular with families.

Life in Mellieħa is generally more laid-back than in the bustling central areas of Malta, offering a peaceful and serene environment. Despite its tranquil ambiance, the village is well-equipped with essential amenities and services, including supermarkets, local shops, pharmacies, and a diverse range of restaurants and cafes serving both traditional Maltese cuisine and international dishes. Outdoor

enthusiasts will find ample opportunities for water sports, hiking, and nature walks, especially around the Għadira Nature Reserve, a protected area for various bird species. The village's community is welcoming and friendly, making it an attractive place for both locals and expatriates seeking a high quality of life.

For those travelling to and from Mellieħa, the nearest airport is Malta International Airport (MLA), located in Luqa. Situated approximately 19-27 kilometres (about 12-17 miles) to the south, the airport is the primary gateway to the Maltese islands. Travel time by car from the airport to Mellieħa typically ranges from 30 to 45 minutes, depending on traffic. Various transportation options are available, including taxis, private transfers, and public buses, ensuring convenient access for both arriving visitors and residents.
