Περιγραφή:

Donji Grad, Trg bana Josipa Jelačića

Beautiful building on the Square for rent. The subject of the lease are four floors of a building with a total area of 1123m2, fully equipped and luxuriously furnished.

There is a possibility of renting offices individually by floors:

1st floor: office space of 351m2

2nd floor: office space of 341m2

3rd floor: office space of 320m2

Ptk: 110m2

The office building is one of the key objects of Art Nouveau modernism in Croatia. Thorough reconstruction of the building restored the original spatial and design dignity. The rich plastic of the building, stylish details of locksmith and carpentry, original stained glass, ceiling stucco and tiled stoves have been restored.

The equipment and finishing of the rooms is completely modern, while preserving the spirit of the original space.

The building is centrally located on the main town square. It is in the center of trade, catering and service facilities. It has a view of the entire main square and the medieval part of the city. It is well connected by public transport (tram, bus, taxi), with public parking lots and garages nearby.
