Περιγραφή:

Rogoznica - center, permit for reconstruction of stone houses.

Three stone houses in a row that can be turned into a very interesting property. The unique location in the heart of the place, just a few steps from all important facilities, makes it a very attractive property on the market. It is located 20 m to the waterfront and access by car, and yet it is tucked away to provide you with absolute peace and privacy.

Because of all the above, there are a number of opportunities for a potential buyer. If someone wants to invest in a tourism property, they can be sure that after the renovation they will fill the house with ease.
