ZADAR, BILI BRIG - Commercial space

Commercial space for sale in the Bili Brig area of Zadar. It is located on the ground floor of a residential building, surrounded by other commercial spaces. It is currently a catering facility, but it is possible to convert it into other activities. It is designed as a two-story building, i.e. the ground floor with a gallery. The ground floor contains service and storage rooms, toilets and a rear exit for staff and goods delivery. The gallery houses a service area and a small office space. The space does not have a parking space, but there is a public parking lot in the settlement itself. Given the dense population of this neighborhood, this commercial space has great potential and is ready for both a new owner and new ideas.
