Περιγραφή:

Set within a restored 14th-century Medici villa, this 315-sqm luxury apartment offers a rare fusion of Renaissance elegance and modern comfort. Located on a hillside just minutes from Florence's historic centre, it boasts sweeping views of the Cathedral's dome and Fiesole's hills. The residence spans two levels, featuring large, light-filled rooms, a 52-sqm private garden, and an 85-sqm panoramic terrace. Highlights include a historic loggia, pietra serena architectural elements, high ceilings, and wooden beams. The first floor includes a spacious living room, dining area, kitchen, two double bedrooms with en-suite bathrooms, and a loggia overlooking lush greenery. The upper level, also accessible via a separate entrance, offers a third bedroom with en-suite, additional living spaces, and access to a panoramic terrace. The layout supports the creation of separate units, ideal for families or guests. Surrounded by a 1,500-sqm communal park, the estate ensures privacy and tranquility, while remaining close to Florence's cultural landmarks. Six private parking spaces and a cellar complete this exclusive property, blending history, luxury, and convenience in one extraordinary home. Ref: 13820
