Περιγραφή:

In a central and convenient location of Gardone Riviera, we offer a property for office use arranged on two levels: ground floor and basement, connected internally.

The ground floor consists of an independent entrance on the street, with a room used as reception or operational area, one or more offices and a service bathroom. The spaces are well distributed and suitable for different types of professional activities.

On the basement floor are several meeting rooms, versatile environments suitable for confidential meetings, team work or consulting activities, as well as a second bathroom.

The property represents a functional and well-organized solution, ideal for professional firms, agencies or management activities that need distinct and easily accessible spaces.
