Azure waters of the Mediterranean Sea and wonderful country views are the gorgeous outlook from this bright and airy Penthouse located in the southern traditional fishing village of Marsaxlokk. A wrap around terrace with a jacuzzi and ample space ideal for entertaining with this marvellous backdrop is undoubtedly an extraordinary feature of this property. Being idyllically positioned on a corner to enjoy the full panorama of views this spacious property enjoys a welcoming hallway leading to a wide fronted fully equipped kitchen living dining room which in turn leads onto the terrace. Four bedrooms with two en suites and a further bathroom complete the sleeping quarters with three bedrooms leading out onto the terrace and the fourth bedroom onto its own balcony. Further complimenting this property are a laundry utility room and an interconnecting one car garage. This property is being sold fully furnished with its own airspace and permits in hand to build a further floor. Well worth viewing.
