It is a property consisting of a house on the ground floor and 1st floor, a house where in the past, there was a workshop and a cellar, and we still have an annexe where the corrals were. The villa (105,95m²) has lots of space and several rooms, with an excellent bathroom, bathtub, and a fantastic sunroom. Despite its years of life, most of the wood in the house is still very well preserved, as well as the stone walls, allowing it to maintain its historic character. The other house (287,90m²) is entirely stone, with ample space along its entire length, with divisions (cellar) that you can modify and make an attachment for your guests or create a fun area. It is inserted in a land of 1.033m², with a well and a tank, all walled and flat. It is located in the village of Barqueiro, where a few meters away, you can find a supermarket, a cafe, and a restaurant, and within five minutes, you will find highways with connections to the whole country.
