Περιγραφή:

Excellent buildable land, flat, with 6072 square metres of total area and 2000 square metres of building area, with public water and electricity supply, just 1 metre away!

It is located in the centre of the town of Sangalhos, in a street that crosses the main road, in a quiet area with all the shops, schools, transport, restaurants, supermarkets and access to Coimbra, Aveiro and Porto.

The land, being flat, facilitates construction and access, with east/west sun exposure, which allows sun all day long.

It overlooks the surrounding village, but also an area of agricultural fields where greenery predominates. This area is excellent for walking and cycling.

There are several buses to Coimbra and Aveiro and a train station with connections to Porto, Lisbon and Coimbra is 1.6 kilometres away.

An excellent option!
