Περιγραφή:

This 6-bedroom villa is located in a pleasant residential area of São João da Madeira, with excellent access and sun exposure.

The gross construction area is 276 m² and is distributed over the basement, ground floor, second floor and garage.

The property consists of two articles, totaling 1990 m².

The villa is set on a plot of 800 m², with another building possible on the remaining land, with a maximum of 140 m².

Although it needs some improvement work, it is a property with a lot of potential.

In the basement there is a large area with natural light and direct access to the outside.

The ground floor consists of a very large kitchen, a living and dining room excellent for family gatherings, a bathroom and a bedroom.

The second floor consists of 5 bedrooms, a full bathroom and a very pleasant balcony.

Finally, there's an annex which is spread over two floors. The lower floor consists of a laundry room and a support kitchen. The ground floor is used for a garage and storage.

Outside you'll also find a barbecue with a very functional connection to the kitchen, a very large garden and a vegetable patch with several fruit trees.
