This unique beachfront development site is about two acres in size and enjoys a prime location on the point between Gibbs Beach and Mullins Beach in the parish of St Peter. A fantastic beachfront development opportunity offering 270 feet of beach frontage.

The site includes many Mahogany trees and tropical planting, as well as a watercourse that opens to the sea. There is planning permission for two different outline design plans prepared by recognized architect, Larry Warren, for a 7 bedroom or 10 bedroom residence; the plans are available for viewing on request. There is an existing three-bedroom cottage on the site.
