Περιγραφή:

We offer for sale a unique land for construction in the city of Byala, 50 m from the sea! With guaranteed sea views!

City of Byala (Varna Region, Community of Byala), locality of Gliko.

Area : 2,303 sq. m.

The plot is for sale with two projects in different architectural styles (floor plans and visualizations).

The land is located 50 meters from the beach. Descent to the sea on a convenient road. Access to the beach is the northern part of the central beach of Byala. It has a bar, massage, sun beds, water activities, lifeguards.

Utilities (water supply, sewerage, transformer) are located in the immediate vicinity of the plot.

The plot is the first line of development. Nearby (behind the site), construction is underway and a large number of complexes have been built in the last three years. The nearest shops (central boulevard of Byala) are about 300 meters away.
