The apartment "RioMarie" in the Oscar-Niemeyer-Haus is a charming place for architecture fans and victims. Designed in the 1950s by the architect Oscar Niemeyer, the building is now a first-class monument. A perfect starting point for excursions into the stunning city. An ideal haven of peace after exciting experiences, in the middle of the Tiergarten, the green oasis of Berlin. ... the RioMarie is really fun; we are sure you will love it! In the middle of the city, but still quiet and green, spacious loggia, wonderful beds, good transport connections, moreover in this special house by Oscar Niemeyer with a lot more remarkable architecture all around.
