Περιγραφή:

A German poet, publicist and educator Jean Paul (Johann Paul Friedrich Richter, 1763-1825) wisely said: "Being at home. How the whole tangle of feelings is lost and put in order when one returns home from a foreign place to one's own four walls! Only at home is a person whole." And indeed, one feels complete when the conditions are right. This first-class end-of-terrace house can meet the needs of everyone and offer the entire family enough space on a living area of approximately 147.62 m². You will find here one of the extremely rare opportunities for modern living in a sought-after location of Sehnde (core city). For rent is a dreamlike row end house in a great neighborhood. The terraced end house has 4.5 rooms, two bathrooms, one with bathtub, the other with shower, a kitchen, full basement and a terrace and garden area. Look forward to watching your children play in the garden and relax on the terrace in the sunshine. The generously cut row end house in solid construction is located in a family-friendly neighborhood. Short distances are guaranteed by the central location to shopping facilities, public transport and a good connection to Hanover.
