Περιγραφή:

Unpack your suitcase and live. And all this on the 11th floor in a unique location directly on the banks of the Wörder See, perfectly shielded from traffic by the building. With a fantastic view to the west of Nuremberg, including St. Lawrence's Church/Christ Church and, of course, Kaiserburg Castle. The Wördersee is literally on the doorstep and offers all amenities for the end of the day or days off, from jogging to café visits to sunbathing. Despite the beautiful location you live centrally, walk in about 20min to the city center and are by public transport in 10min at the main train station or by car in 10-20min at the exhibition center. The Technical University and many companies are a short walk away. A TG parking lot is available. Rental bikes and e-scooters are available in front of the building.
