Περιγραφή:

This new development is an ambitious project consisting of 164 homes surrounded by the natural landscape of El Higueron.

The properties are made up of 70 deluxe apartments, 49 garden villas, 25 sky villas and 20 sky penthouses.

The luxurious, spacious homes have 2, 3 and 4 bedrooms, with an elongated sliding door to maximise natural light and emphasise the amazing views.

The design is avant-garde and uses sustainable materials such as corten steel, stone and wood. The houses will be numbered similar to a hotel and this is no coincidence. People who buy a home will be able to make use of the services at the Higuerón Hotel Curio Collection. Perfectly located between the beach and the mountains.

You can go to any of these places in less than 5 minutes. It is also only a short drive to Malaga airport.

Communal areas include an outdoor cinema, coworking space, walking track, picnic area, BBQ area, pet-park, outdoor gym, and a pool area for both adults and children.
