We present the opportunity to purchase this large finca of 27.000 m² and 450 m² built 300 meters high with incredible panoramic views in Guia de Isora, Tenerife south. The property has greenhouses almost entirely of meters, and is in a state where it can be put into operation quickly for the production of bananas. The finca has mains electricity and water supply. It also has two water tanks and several warehouses that make up its 450 m² constructed area. Located in a very private and quiet location. | ID: 52378
