Περιγραφή:

This large, Andalusian style villa is set on a plot of approximately 1800 m2 on a peaceful hillside overlooking the Mediterranean and town of Salobreña. It can be reached by car within 5 minutes. The fisherman village of La Caleta with some tapas restaurant and a cove is within walking distance. The main house is built all on one level, which makes everyday life very comfortable. There are 4 bedrooms, 3 bathrooms, 3 living rooms, 2 kitchens, a laundry room and a storeroom. The villa also features 2 turrets that can be accessed from the rooftop terrace. This area can be converted into a complete studio and an additional, 1-bedroom guest apartment. Below the main level of the house, connected to the main building from the interior, there is a bodega with a toilet, and further below a large basement/garage with space for 4 cars. There is a front terrace with a fountain, a partly covered terrace, and a large garden to set up a pool. Additionally, there is a piece of land next to the front terrace, not being used at present, which is included in the price.
