This 5 bedroom 181m2 build property is situated in the historical town of Alcaudete in the Jaen province of Andalusia, Spain. Located on a wide street with on road outside you enter the townhouse from a safe raised pavement into a bright hallway with a sitting room on the right. To the left is a ground floor bedroom and ahead leads into a reception area off which is a storage on the left and another bedroom to the right. From the reception area you have direct access out into the patio space with a laundry and utility area and a small number of steps leading up to another patio area with a storage room. Also off the reception space you have the good size kitchen area then a fully tiled ground floor shower room. Steps from the reception area take you to the first floor where you have a further 3 bedrooms and another storage room which could be converted into a 2nd bathroom. The property has electricity and town water connections, it is in need of updating throughout but being on the market for 35,000 euros represents good value for a 5 bedroom townhouse with a generous 150m2 town plot.
