Περιγραφή:

An ideal building for investors, located in Torredembarra just a few meters from the beach. It consists of four floors with a total constructed area of 1,108 m2. The building is currently undergoing renovation. On the ground floor, there is an open-plan space with six columns in the middle, serving as a walkway. The walls of the space are bricked up but can be opened to create four-sided windows, letting in plenty of light. On the three upper floors, there are a total of 17 apartments, some smaller than others. Permits have been accepted from the city council to build a hotel, and a pedestrian walkway project has been approved in front of the building. Investment possibilities include refurbishing it as a residence, residential apartments, or tourist apartments.
