FOR SALE: La Solinière – An Exquisite 18th Century French Domain with Unrivalled Charm and Income Potential

Nestled in the tranquil embrace of the small village of Bouin, discover La Solinière, a magnificent 18th-century domain that promises an unparalleled lifestyle in the heart of the picturesque Poitou-Charentes region of France. Just 4km from the historic market town of Chef Boutonne, this property is perfectly positioned amidst enchanting sunflower fields and vast open countryside, offering a serene escape whilst remaining conveniently connected. Spanning an impressive 1.25 hectares (10,250 sq mtrs / 2.532 acres), the entire perimeter is fully secured with robust fencing, walls, and grand gates, ensuring utmost privacy and peace of mind. La Solinière is not just a home; it's a meticulously restored historical estate with a successful gîte business, an extensive barn conversion project underway, and a wealth of amenities designed for luxurious living and exceptional guest experiences.

## The Main House: A Symphony of History and Modern Comfort

Step through the main front entrance, an ornate timber arched door, into the welcoming Entrance Hall (7.108m<sup>2</sup>). Here, traditional terracotta tiled flooring with an inset entrance mat sets the tone for the quality within. This central hub provides access to the Lounge, Dining Room, and the large Breakfast Room, along with a discreet shoe and coat cupboard. Modern conveniences include central heating radiators and controls for outside lighting, a charming fountain, and the integrated security camera system.

The Breakfast Room (24.665m<sup>2</sup>) is a true focal point, featuring beautiful ceramic tiled floors and a magnificent feature stone bread oven with an ornate cast iron door – a nod to the property's rich history. This room boasts a dual central heating system, allowing you to choose between a rustic wood-fired Rayburn or the efficient oil-fired central heating boiler. Skylights in the timber-panelled ceiling bathe the space in natural light. From here, you access the Kitchen, and a staircase leading to the first floor.

The Kitchen (22.580m<sup>2</sup>) is a superbly equipped galley-style space, finished with terracotta tiled flooring. It features a large extractor hood over a double electric oven, a full complement of base and wall cupboards, two large freezers, and a spacious fridge. A 1.5 bowl resin sink with its own under-cupboard hot water supply, under-cupboard lighting, and recessed utensil hanging areas complete this functional culinary hub. Adjacent is a generous walk-in Larder Store (3.434m<sup>2</sup>) with shelving and the consumer unit for the kitchen and 'La Maison de Jardin' gîte.

A Rear Hallway (3.639m<sup>2</sup>) with elegant marble tiled flooring leads to a discreet Toilet (1.309m<sup>2</sup>), a practical Laundry Room (6.137m<sup>2</sup>) with ample worktop space and shelving, and a dedicated Office (14.407m<sup>2</sup>). The office, also with marble tiled flooring, features extensive shelving, storage cupboards, a large fire-resistant security safe, and a fibre optic internet point ensuring blazing fast connectivity. Double glazed exit doors from the office lead directly to the courtyard.

The impressive Lounge (34.079m<sup>2</sup>), adorned with marble tiled flooring, is a space of grandeur and warmth. A unique hot air central heating inset wood fire provides efficient warmth for the lounge and part of the first floor, with the option to open the glass fire door for a traditional log fire experience. A panelled ceiling with chandelier lights and elegant wood panelling around the base of the walls create a sophisticated ambiance. A cleverly designed wall of panelled hidden doors conceals large storage cupboards. Two sets of double glazed doors open directly onto the inviting courtyard.

The magnificent Dining Room (30.642m<sup>2</sup>) features terracotta tiled flooring, exposed beams, a panelled ceiling with skylights, and a stunning minstrel gallery mezzanine overhead. Wood panelling continues around the base of the walls, and the room is warmed by electric wall heaters and central heating radiators. A charming bay-style window overlooks the courtyard, and glazed double exit doors also provide access to this central outdoor space. An internal door connects directly to 'La Maison de la Rosairie' gîte.

#### First Floor Sanctuary: Bedrooms and Luxurious Bathrooms

Ascend the graceful dogleg staircase to the First Floor Landing (7.800m<sup>2</sup>), featuring beautiful wooden flooring and a wall cupboard housing the main house consumer unit. This landing branches into two distinct wings: the South Wing and the West Wing.

The South Wing opens to a large Mezzanine timber floor area (18.789m<sup>2</sup>), a versatile space warmed by a central heating radiator and warm air vents. Two windows overlook the courtyard and grounds, complemented by two Velux skylight windows. This wing leads to:

- \* Bedroom 1 (11.331m<sup>2</sup>): With timber flooring, a radiator, Velux skylight, and TV point.
- \* Bedroom 2 (27.931m<sup>2</sup>): A spacious room with timber flooring, a walk-in storage cupboard (housing a consumer unit and large water storage heater), large double sliding mirror doors for clothes storage, and a built-in cupboard. A window overlooks the courtyard and grounds, along with two Velux skylight windows and a central heating radiator.
- \* Family Bathroom (7.198m<sup>2</sup>): A luxurious space with tiled flooring, elegant Marbrex marble wall panelling, a half-round corner shower, and a large double-ended bath with a centre mixer tap and shower attachment. A toilet and handbasin with an inset mirror complete this stylish bathroom.

The West Wing is accessed from the landing, leading to another minstrel gallery mezzanine timber floor (15.532m<sup>2</sup>), warmed by a central heating radiator and featuring a window overlooking the courtyard. This wing comprises:

- \* Bedroom 3 (14.610m<sup>2</sup>): Accessed from a small hallway off the mezzanine, this bedroom features timber flooring, large built-in clothes storage cupboards, a central heating radiator, and a Velux skylight window. It benefits from an en-suite bathroom (4.851m<sup>2</sup>) with a bath, handbasin, toilet, and central heating radiator.
- \* Storage Room (4.846m<sup>2</sup>): Leading off a small hallway, this practical room features a small window overlooking the front of the property and houses a large hot water storage tank.

#### Thriving Gîte Business: Four Charming Rental Properties

La Solinière excels as a holiday destination, boasting four beautifully appointed gîtes that consistently generate income.

- \* La Maison de la Rosairie (Attached to Main House): Accessed by two glazed doors from the courtyard, this charming gîte features terracotta tiled floors. The open-plan bedroom (22.750m<sup>2</sup>) offers a double

bed, stone fireplace, central heating radiator, and a built-in consumer unit cupboard. It leads to a compact kitchen (5.668m<sup>2</sup>) fully equipped with a dishwasher, sink, storage cupboards, central heating radiator, and electric wall heater. An en-suite bathroom (2.215m<sup>2</sup>) with a shower, toilet, built-in handbasin, inset mirror, central heating radiator, and a small oval window completes this delightful unit. (Sleeps 2, Rent Value: €485 per week)

\* La Colombier (The Gate Tower): A unique and enchanting gîte accessed via double glazed doors from the courtyard patio. \* Storage Room (60.312m<sup>2</sup>): A vast space with timber flooring and two single windows overlooking the courtyard. (Sleeps 10, Rent Value: €1441 per week)

Unrivalled Facilities: Barn, Courtyard, Pool, and Grounds

**The Barn (Wedding Venue Conversion in Progress):** This immense structure is a project of grand ambition. The ground floor (120.530m<sup>2</sup>), featuring a large concreted floor space, is being converted into a proposed reception area with seating and a bar. It includes two large 2000-litre heating oil tanks and a grand staircase for first-floor access. This area connects to a Cellar (12.189m<sup>2</sup>) with bottle storage, Storeroom 1 (23.726m<sup>2</sup>), Storeroom 2 (3.533m<sup>2</sup>), and a Boiler Room (6.224m<sup>2</sup>) housing a large oil-fired boiler.

**Commercial Kitchen & Plant Room:** A dedicated hallway leads to a professional-grade setup. The Plant Room (5.679m<sup>2</sup>) houses a large diesel generator (wired for power outages), three consumer units (including proposed 3-phase for the new barn/kitchen), swimming pool filters, pumping systems, controls for the pool air source heat pump, and automated chlorine/PH minus dosing. The Pot Wash Room (8.035m<sup>2</sup>) is part-completed with tiled flooring, dumb waiter access, a large stainless steel sink, heavy-duty dishwasher, and stainless steel racking. The Commercial Kitchen (35.251m<sup>2</sup>), also part-completed with tiled flooring, features a large extractor hood, range of ovens, fryers, hot plates, grills, double freezer, workbenches, and sinks. It connects to a Food Prep Room (8.075m<sup>2</sup>) with a double sink and food storage cupboard. Both have glazed double doors to the courtyard.

**Barn First Floor & Snooker Room:** The first floor of the Barn (151.680m<sup>2</sup>) is envisioned as a proposed restaurant eating area, boasting a timber floor and impressive heavy beamed roof trusses. It includes a dumb waiter station and fire escape. Adjacent is The Old Snooker Room (38.592m<sup>2</sup>) with a treble-sized window overlooking the grounds and a single window overlooking the courtyard.

**The Courtyard (618.550m<sup>2</sup>):** This stunning Charentaise-style courtyard forms the heart of the domain, centred around a beautiful stone fountain. Large heavy wooden gates lead to the road, while ornate metal gates under a stone arch provide access to the main driveway. The courtyard offers access to the grounds, pool, and pétanque court, with stone planting troughs on a central watering system fed from a deep shaft well.

**Swimming Pool, Jacuzzi & Sauna:** A security-fenced and gated swimming pool patio area (213.730m<sup>2</sup>) surrounds the freshwater heated pool (9m x 4m / 36.00m<sup>2</sup>). A dedicated Pool Equipment Lockable Storage Room (6.028m<sup>2</sup>) houses all necessary equipment and chemicals, including a secondary heating system. The luxurious Sauna and Jacuzzi Room (31.830m<sup>2</sup>) features glazed double doors, large sliding windows, wooden slatted flooring, a large inset heated Jacuzzi, a timber-built sauna, and a sitting area.

#### Other Outbuildings & Grounds:

- \* Garden Room (3.714m<sup>2</sup>): A small tool shed for everyday gardening, located by the pool.
- \* Workshop (46.191m<sup>2</sup>): A large blockwork-built workshop with a secure gated tool store, extensive racking, and dedicated power.
- \* Side Barns: Comprising an open store (8.994m<sup>2</sup>) for materials and machinery, and two gated stores (8.874m<sup>2</sup> x 2) for garden equipment and tools, with concrete hardstand outside.
- \* Pump House (4.198m<sup>2</sup>): Houses a deep shaft well, high-pressure pumps for garden watering (including a unit for a golf course watering system fed from two points), a grounds fountain pump feeding the lake, a recirculating pump, a small pump for the lake statue, and a shared pump for the plant watering system.

## ABOUT THE AREA

Valdelaume is a tranquil commune situated in the Deux-Sèvres department, part of the Nouvelle-Aquitaine region in western France. Formed in 2019 from the merger of four smaller communes (Hanc, Ardilleux, Bouin, and Pioussay, with Hanc serving as the administrative seat), Valdelaume embodies the quintessential charm of rural France. The area is characterized by its gently undulating agricultural landscapes, vast open fields, and interspersed woodlands, creating a serene and picturesque environment. Life here moves at a more relaxed pace, offering a stark contrast to the hustle and bustle of urban centres, making it an ideal retreat for those seeking peace, natural beauty, and a genuine connection to the French countryside. The low population density contributes to a strong sense of community and an abundance of quietude.

Life in Valdelaume revolves around its constituent villages, each maintaining its unique identity while contributing to the larger communal fabric. Residents benefit from the close-knit atmosphere, where local markets might offer fresh regional produce, and community events strengthen social bonds. While the immediate area prioritizes a calm existence, Valdelaume remains within comfortable driving distance of larger towns in Deux-Sèvres and neighboring departments, providing access to a broader range of amenities, services, and cultural activities. The wider Nouvelle-Aquitaine region itself is celebrated for its diverse topography, from the renowned vineyards to the Atlantic coastline, offering a rich tapestry of cultural heritage, delectable regional cuisine, and numerous opportunities for outdoor pursuits.

The allure of Valdelaume lies in its blend of rustic authenticity and convenient accessibility. It's a region

perfectly suited for enjoying leisurely explorations, whether cycling along quiet country lanes, hiking through verdant landscapes, discovering hidden historical sites, or simply savoring a coffee at a local café. The architecture in the area often features traditional stone farmhouses and charming cottages, many offering spacious plots of land that appeal to those dreaming of a rural renovation or a quiet retreat. For individuals looking for affordable property with character, or a peaceful base from which to explore the broader region, Valde-laume provides excellent value and an idyllic setting to embrace a relaxed French lifestyle.
