## Περιγραφή:

Villa for Tourist and Business Use, 10 meters from the Sea on Opatija Riviera!

This impressive 710 sq.m. property is located right on the beach along the Opatija Riviera, offering a prime opportunity for both tourist and business purposes.

Spread over three floors.

The ground floor features a catering facility with both indoor and outdoor terraces, perfect for dining with sea views.

The first floor houses two apartments, each with two rooms, a kitchen, and balconies.

The second floor includes three apartments with mezzanine levels, all boasting stunning sea views.

The villa operates as a successful tourist accommodation with an established business. Originally built in 1857 during the Austro-Hungarian era, it was known as the Krone Hotel. A renovation carried out 15 years ago preserved the original stone walls and stone vaults, added new mezzanine structures, and included the construction of a new staircase. The ground-floor café was also redesigned using stone elements, adding unique charm and character to the space.
