Περιγραφή:	

We are pleased to present this lovely house with lots of character and many improvements. This property has been maintained to a high standard and the current owners have made use of all the space this house has to offer. Being a corner plot it has a larger garden and has off street parking. The property has had the solarium re-tiled, new air conditioning has been fitted in the living room, a new fridge has been added to the property, a new gas heated water boiler and a new outside table and BBQ at the side of the house. The properties accommodation is all on one level with 2 double bedrooms and one family bathroom plus a en suite to the master bedroom.. In the summer you can enjoy the sun or shade in the re-tiled courtyard area with the sun canopy. On the solarium there is another room which is currently being used as an office from which you can take in the views and relax. The property is close to the La Marquesa golf course and all of the amenities in the same area.
