Περιγραφή:

In the heart of Soiano del Lago, GardaHaus offers a new and exclusive residential complex consisting of only 14 apartments and 2 villas. Modern and elegant design designed to offer a lifestyle of comfort and sophistication.

The residence will feature two swimming pools, landscaped common green spaces and private gardens, all set in a context of absolute tranquility and value.

Two-room apartment with tavern 7

is a refined and functional living solution, developed on two levels with well-distributed spaces and high-profile finishes.

On the mezzanine floor, the apartment offers a large living area with kitchenette, characterized by large openings that give direct access to the loggia/covered terrace. A bright master bedroom and a windowed bathroom with modern design complete the floor.

An internal staircase leads to the basement, where there is a spacious multipurpose tavern, ideal as a relaxation area, second bedroom, or study, as well as a second bathroom and a convenient laundry area. This floor enjoys a direct view of the small garden, which gives additional livability and natural light.

Availability of parking space at € 15,000.

The property is inserted in a structure built with the highest construction standards: energy class A2, underfloor heating, air conditioning with heat pump, thermal insulation coat, PVC window frames with high-performance double glazing, cement-effect porcelain tile in the living area and prefinished parquet in the sleeping area.

Anti-seismic reinforced concrete load-bearing structures, rock wool panel roofing and waterproofing system ensure durability, sound insulation and living comfort at the highest level.

A perfect proposal for those looking for a modern first home, a vacation home on Lake Garda or a secure real estate investment in a prestigious setting.
