Exclusively available for sale: A buildable, flat plot of land with a total surface area of 567 sq.m., located in the Agios Stefanos area of Nees Pagases, Volos.

This plot is situated in a quiet and developing neighborhood, just a few minutes from the beach and in close proximity to the city center of Volos. The Agios Stefanos area is known for its balance of tranquility and accessibility, making it ideal for permanent residence or investment in a vacation home.

The plot is complete and buildable, with a flat topography that facilitates construction. It has street frontage on a municipal road and provides easy access to utility networks (electricity, water, sewage).

The location is suitable for the development of one or more residences, offering an excellent opportunity for both private buyers and investors.

???? Distance from the sea: approx. 1 km  
???? Distance from Volos city center: approx. 5 km  
???? Close to schools, supermarkets, and public transportation

An excellent option in an area that is constantly being upgraded and is gaining growing investment interest.
