### ISTRIA, BARBAN - Building land in front of a green area

Barban is a small picturesque medieval settlement of the acropolis type and is located in the southern part of eastern Istria - above the valley of the Raša River. Well-preserved architectural buildings from the Baroque and Gothic periods, frescoes and Glagolitic inscriptions, churches, palaces and city walls, the knightly game Trka na prstenac, a traditional wine festival and a fig festival make Barban extremely attractive. The municipality of Barban, which has access to the sea in the Bay of Raša, covers an area of 100 km<sup>2</sup>. It is here, exactly 11 km from the first beach, that a beautiful building land in front of a green area has been found for sale. There are 4 regular plots of land ranging in size from 575 to 675 m<sup>2</sup> + a share in the road of 80m<sup>2</sup>. The access road is asphalted, electricity is located directly next to the land, and the water connection is about 80m away. Ideal property for those looking for peace and quiet.
