built-in bar... This multipurpose room can be figured however you need

There are 3 primary suites with ac, 4.5 bathrooms, 2 large open plan kitchens with islands, and an oversized garage with additional lockable storage for recreational equipment and laundry room

Built with steel frame and seismically rated, and drywall that is flame resistant for safety, this home has been constructed by a triple rated US born builder who works with his teams to more than US standards. Custom work of exotic woods on cabinets, window frames and doors, as well as specialized masonry for countertops and tiles, venting around all leisure areas to allow hot air to escape through the roof and walls, and oversized patio roofing, ensures that the house remains cool even on the hottest days.

Our goal is to find a client who shares the value of quality, sustainability, and desires a truly custom home in tropical paradise.

Asking Price \$850,000 Down Payment \$450,000 Contract to finish \$400,000 to buyers specifications

Value when completed \$1.3 million

Much more information available in regard to this investor / partner opportunity and, the owner/builder will be available to answer any questions and will guarantee his work for two years.
