Περιγραφή:	

A great opportunity with this flat, which has already been renovated, with external insulation work and facade renovation to be paid for by the vendor (budget €40,000).

Ideally located in the Observatoire Esplanade district, with tram stops C, E and F at the foot of the building - close to Strasbourg centre, Kehl and the Kutenau, Vauban, Conseil des XV and Orangerie districts.

Close to all amenities: schools, shops, tram stop at the foot of the building, bus, market, post office. High standard, on the 3rd floor, served by a lift, a private entrance separates you from the stairwell. Unobstructed views.

Ready to move in: completely renovated, electricity, paint, tiling, sanded parquet flooring, 2 large bedrooms, 2 modern shower rooms and 2 separate WCs.

A spacious lounge opens onto the dining room with its 8 m2 balcony, or it could be converted into a 3rd bedroom.

A cellar completes the property and a garage box is also available.
