Περιγραφή:

Grand house which was formally a Notaire's residence. Situated at the end of a quiet cul-de-sac, with 6 double bedrooms in a village with basic amenities. Even though you are only a few minutes' drive from Aigre, the village has a pizzeria, a grocer's/cafe with a bread counter, a hairdresser, a post office, a primary school, a tennis court and, to top it all off, a beautiful abbey where live events take place throughout the summer. You'll also find yourself just 30 km from Angouleme! The house itself is in very good order throughout and benefits from mains drainage, double glazing and oil-fired central heating. Outside is a front courtyard offering plenty of parking (as well as 2 places outside the main gate) and with a small annexe that could be used as a 'Granny Flat' or a small gym. In addition is a stone barn in the front courtyard crying out for conversion and with mains drains connection ready in place in front. To the rear is a mature garden with a second vehicular access, an inviting swimming pool, covered terrace and a WC with hand basin.
