Περιγραφή:

House with about 140 m² of gross area and 75m² of floor area, offers a unique opportunity for those looking to create the home of their dreams or invest in a renovation project or for holidays.

Currently in a state of ruin, the property has incredible potential, allowing you to transform each space according to your vision and creativity.

With a recoverable structure and large areas, the property is perfect for those who want to customize all the details of a unique home. In the photos, it is possible to see a renovation proposal that demonstrates the enormous potential for appreciation that this property offers.

This is the chance to acquire a property with history, character and multiple possibilities of appreciation, ideal for investors or for those who want to create an exclusive residence, in a privileged location 10 minutes from the center of Chaves.

Don't miss the opportunity!
