Περιγραφή:

Set on a generous 4,000m² plot in the highly sought-after coastal enclave of Cama da Vaca, this traditional-style villa occupies a privileged frontline position with uninterrupted views over the Atlantic Ocean.

With a total build area of 292m², the property offers spacious living both inside and out. The mature garden surrounds a large swimming pool and offers multiple areas to relax, dine, and enjoy the natural beauty of this dramatic stretch of coastline. Whether on the ground floor terrace or the upper balcony, the sea views are simply breathtaking.

Inside, the villa features three bedrooms, including a substantial master suite with a private balcony, large en-suite bathroom, and ample wardrobe space. The layout is well-considered, with traditional architecture complemented by quality materials and finishes throughout.

This is a rare opportunity to own a frontline home in one of the most peaceful and picturesque locations in the western Algarve just minutes from the beaches, restaurants, and amenities of both Praia da Luz and
