Περιγραφή:

Property consisting of land and a stone house in need of complete renovation.

Located 7 minutes from the village of Avelar in a small hamlet, with excellent access, the property has the advantage of being isolated, away from the main road, independent, with privacy and excellent sun exposure.

The land is flat, with some fruit trees and olive trees.

The ruined house still has beautiful stone walls that can be reused.

This is a unique property!

It should be noted that the village of Avelar, just 3 km away, has all kinds of shops, a hospital, schools, banks, supermarkets and public transport.
