Antigua Palm Point is a luxurious beachfront villa with spacious open plan living areas. The entrance porch leads into a central hub of the villa. From here the white ceramic Italian tiles continue straight onto the white sandy beach to the North West and the pool area to the South West. The Swimming Pool and Jacuzzi are both built into the stone paving. These areas benefit from size-able covered terraces giving opportunity to either dine by the pool and watch the boats come in or entertain on the beach. This spacious 10,000 sq ft villa has vaulted ceilings throughout and two large open plan lounge areas overlooking the pool and the beach. A separate living room provides cable and internet needs, whilst the fully equipped kitchen with stainless steel appliances is adequately equipped to cater for generous parties and events. With a total of seven luxury en suite bedrooms each with their own walk-in wardrobe. The gardens of the property have been specially designed, for areas of tranquility and shade away from the villa. The property also has a large sea wall adequate for super yachts. Rental Rates Starting from US\$3,500 / night to US\$12,000 / night (peak season)
