Property in Morava – Affordable Village Home with Basement and Garden

Price: €9,000 – open to offers

Morava, Municipality of Svishtov – near Ovcha Mogila

Located in the quiet village of Morava, this one-story countryside home comes with solid potential and a generous garden – but requires urgent repairs and serious attention to become livable again.

The house includes:

- One main floor with multiple rooms needing renovation
- A large basement that can be used for storage, a workshop, or even a hobby space
- A spacious attic area beneath the roof, offering additional storage options

! The roof currently needs some attention with tiles in places to be redone.

! The garden (approx. 2,000 m² / 2 decars) is heavily overgrown and needs clearing

! Some windows are broken and will need replacement for weather protection and security

electricity and water connections are in place, and the structure still offers a strong foundation for anyone ready to invest in a true renovation project.

If you're looking for a low-cost countryside property where you can shape everything from the ground up – and you're not afraid of rolling up your sleeves – this might be exactly what you're searching for.
