Περιγραφή:

2+1 bedroom apartment with a total area of 121.5 sq.m, for sale in Almádena - Lagos.

Located just 10m from the city of Lagos and 5m from the nearest beaches, this property is located on the ground floor, in a small building of only 2 floors.

Property facing east and west, it has a living dining room, 2 bedrooms with built-in wardrobes, a bathroom, with bathtub, and a fully equipped kitchen, which gives us access to a great and pleasant terrace with unobstructed views over the countryside, which in addition to being large also offers a laundry room with storage space, and an annex, where we have another bedroom, an office and a toilet.

This backyard is a great space to enjoy some good grilling with the family, set up a pool to cool off on the hottest summer days, or simply relax, sunbathe and read a book.

Ideal for those looking for an apartment with good areas, good outdoor space and located in a quiet place, but not giving up the proximity to beaches, golf courses, city and other amenities.
